SOFTWARE

PRINTER'S DEVIL

GETTING STARTED: All you need is the Print Shop. Just follow prompts as they appear on the screen.

USING PRINTER'S LIBRARY: When beginning with the Print Shop you are asked to "choose a graphic", select "from other disk", then follow the prompts. Insert printer's library disk into drive and type the name of the graphic you want. Be sure to spell the name correctly and that the printers library disk is in your drive with the correct side facing up.

PRINTER'S DEVIL
